

SURVEY/PETITION

WE NEED YOUR HELP PLEASE?

DO YOU CYCLE, HORSE RIDE, JOG/RUN, OR WALK ACROSS THE **A2300?**

This Survey/Petition concerns the dualling of the A2300 Improvement Scheme which does not take into account Non-Motorised Users (NMUs) like cyclists, equestrians or pedestrians not being able to access Pookbourne Lane to Stairbridge Lane/Jobs Lane and Bishopstone Lane in order to get to the quiet country lanes, public footpaths and bridleway networks etc. From Spring 2020 there will be

NO ACCESS FOR CYCLISTS, EQUESTRIANS AND PEDESTRIANS.

Mid-Sussex Area Bridleways Group have asked for a **Pegasus Crossing** to be included in the A2300 Improvement Scheme at Pookbourne Lane/Stairbridge Lane, but unfortunately the survey WSCC carried out produced low results in cyclist, horse rider and pedestrian movements, the numbers we consider to be incorrect, therefore

WE NEED YOUR HELP PLEASE.

This information will be used for statistical evidence for Mid-Sussex Area Bridleways Group to provide to West Sussex County Council, Mid Sussex District Council and the Highways Agency etc.
